

International Chordoma Research Workshop and Community Conference

The Chordoma Foundation's mission is to improve the lives of those affected by chordoma and lead the search for cures. Our international events unite researchers, doctors, and families worldwide to push toward the day when chordoma is no longer a life-defining diagnosis.

Why your support matters

When you sponsor our events, you're demonstrating your commitment to chordoma research and care, and showing up for a community in urgent need of better treatments. Together, we can fuel progress for everyone affected by chordoma.

Event highlights

International Chordoma Research Workshop

Sep 17-18, 2026

The premier scientific meeting for chordoma scientists and physicians worldwide:

-  Surgeons and medical and radiation oncologists
-  Pathologists, cancer biologists, and immunologists
-  Drug discovery experts and clinical researchers shaping the future of treatment

International Chordoma Community Conference

Sep 19-20, 2026

The largest global event for for individuals personally invested in improving the outlook for chordoma:

-  Patients and survivors
-  Caregivers, families, and friends
-  Physicians and other health professionals who care for chordoma patients

Be Seen In Boston and Beyond

Sponsors are showcased locally at the event and globally through our digital channels.

Our audience is made up of patients, their family and friends, researchers, clinicians, and more — all who look to us as a trusted source of information.

15,000+ newsletter subscribers

16,000+ social media followers across Facebook, Instagram, LinkedIn, and X

Hundreds of thousands of website visitors annually

18 years as the go-to resource for chordoma patients, families, and researchers

Sponsors help us drive research advances, provide free support to patients, and partner with doctors to give patients the best possible outcomes. You also gain visibility with a highly **engaged, targeted** audience that truly values your support.
